With space becoming smaller yet more costly, glass is an increasingly popular material to give any area a feeling of increased space, whilst providing security and privacy. From interior and exterior glass doors, screens and partitions, to external glass facades and canopies, toughened glass provides an option for any simple or complex structure.

Toughened Glass Doors and Assemblies.

Areas covered

- Eastern
- East Midlands
- London
- Northern
- North West
- Southern
- South East
- South Western
